

Residential Erosion Control Affidavit

City of Duluth
Department of Planning & Development
3167 Main Street, Duluth, Georgia 30096
(770) 476-1790

This affidavit must be submitted at the time of building permit application.

Permit No.: _____

Subdivision: _____

Job Site Address: _____

Phase No.: _____ Lot: _____ Block: _____

General Contractor: _____

Address: _____

City/State/Zip: _____

Phone No.: (_____) _____

My signature hereto signifies that I am the person responsible for compliance with the City of Duluth Soil Erosion & Sediment Control Ordinance. I hereby acknowledge that Best Management Practices (BMP's) must be used to control soil erosion on my job site which includes at a minimum the following:

1. Installation and regular maintenance of silt barriers (i.e., wire back silt fences, hay bales, etc.) in those areas where water exists on the job site; and
2. Installation and regular maintenance of a stone (1.5" – 3.5") driveway entrance/exist pad (20' wide x 20' deep x 6" thick) to minimize the tracking of mud into the street; and
3. Removal of mud from the street or adjacent property immediately following any such occurrence; and
4. Maintenance and removal of mud from detention ponds and sediment basins; and
5. Conduct no land disturbing activities within 25 feet of the banks of streams, lakes, wetlands, etc. (i.e., "state waters"), and
6. Provide temporary vegetation and/or mulch at any exposed areas to provide an effective barrier from erosion; and
7. Install other measures as deemed necessary by the City of Duluth.

I hereby further acknowledge that City building inspection staff may refuse to make building inspections, may issue Stop Work Orders, and may issue a citation to appear before Duluth Municipal Court for failure to comply with erosion control requirements.
