COMMISSION DISCUSSION ITEMS

New Member Update

Kris updated the group on the progress made in looking for new members for the commission. We will have interviews next week at Red Clay, Kris will e mail the questions out for the group to review.

Signs for Murals

Ashley presented to the group the idea of a sign for murals that would be each of them. The commission likes the idea of a sign that adheres to the mural and not into the ground. We will use the stock verbiage we used on Phoenix. We will also check with the City Attorney on the signatures/advertisement on murals.

Woodcarving Update

Ashley updated the committee on the status of the woodcarving project. The commission asked to get a GIS study of George Rogers Ave to look at ideas on where this will be placed.

New Project Discussion

The group looked at the PAMP and wanted to talk about what some ideas for their next projects could be. Some of the ideas included; a glass sculpture that projected colored light, chimes or playable instruments (Ashley will check with Kathy on park locations), Something at Sugarloaf and Buford Highway (either at Railroad underpass or sculpture), and Louis is going to compile a plan for performing arts. They would like the group to continue to think and bring new ideas for future projects.

Financial Report

Kris presented the financial report to the group.

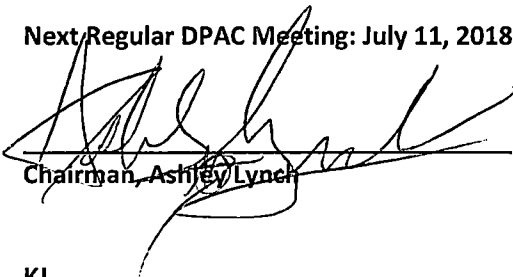

Other/Comments

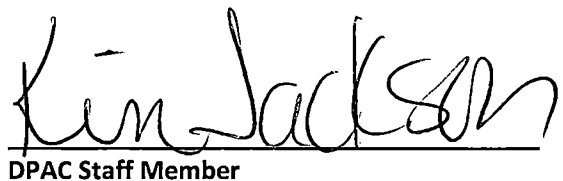

Marsha presented the idea of doing a meet and greet that incorporates mural artist Dylan with looking for new DPAC members.

With no further business Eva Kuhn made a motion to adjourn the regular session of DPAC Meeting. Louis Tseng seconded the motion. All voted in favor. The Regular Session of DPAC was closed at 7:56 p.m.
