RFP CP 19-004 Plan Review and Building Inspection Services
Questions and Answers

	Question	Answer
1	Requesting clarification on whether or not any bonds or other financial performance guarantees are required for project CP 19-004 per reference to Contract Security Requirements in the RFP in order to proceed with our submittal.	There is no bonding requirement for this submittal. The City does require professional liability insurance and that is outlined on page 20 of the RFQ. A Certificate of Insurance (COI) must be submitted with your qualification package.
