COMMISSION DISCUSSION ITEMS

APPROVAL OF MINUTES

Katrina Stone made a motion to approve the October 11, 2017 minutes. Marsha Bomar seconded the motion. All voted in favor.

Mural Art Project

The sub-committee reviewed their picks for the mural projects from the received applications. After presenting to the group it was decided:

For location 10 – Bunten Park tunnel - we will present to the parks and recreation board to decide between the 2 artists. Kris will contact Kathy to decide how to get this to the P&R board.

Location 8 – Hill Street - Brenda Ely's piece was picked for this location. The group will meet and look at a printed image at Hill Street and make sure they like this piece for the location.

Location 1&2 – PIB – There was some confusion on which wall we would use. Tyler Kay and Miriam Robinson were narrowed down for this piece. Ashley will contact Tyler to see what her vision would be for the large wall and Miriam would be used for the pictured 1&2 sites.

GG Getx made a motion to move forward to City council with the Bunten Park, Hill Street and PIB mural projects with the Parks & Rec board deciding the final piece for Bunten. Louis Tseng seconded the motion. All voted in favor.

Art Inventory Review

Matigan presented the City Art Inventory that she has been working on.

Wood Carving

Ashley gave an update on the wood carving project. They are going to look for a new wood carver due to unforeseen circumstances. Ashley will work with Alisa to get this out to the City, they want to make this a project with community input to decide what would be placed there.

SKA Art Visit

Kris discussed the SKA visit and sent a link to everyone to review the pictures as they are updated on their project.

With no further business Katrina Stone made a motion to adjourn the regular session of DPAC Meeting. Louis Tseng seconded the motion. All voted in favor. The Regular Session of DPAC was closed at 7:50 p.m.
