## Media Release

Gwinnett County Department of Transportation (DOT) has placed new signage and pavement markings at the intersection of SR 120 with Peachtree Industrial Blvd and SR 120 with Buford Hwy. With hundreds of complaints to the Duluth Police Department and Gwinnett DOT, we now have signage and markings to assist with the flow of the intersection. During both morning and afternoon rush-hours, this intersection would delay travel from both work and home. Hopefully with the new signage and markings, this will alleviate any further delay.
