

Gateway Landscaping Improvements Pleasant Hill Road and Buford Highway - SR 13 (CD – 65)

This project will create a landscaped gateway at the interchange of Pleasant Hill Road and Buford Highway (SR 13). Project amenities will include landscaping, signage, lighting and minor traffic safety improvements. The overall improvements will create a visually pleasing experience that will announce to motorists they have arrived in Duluth. The project is budgeted at \$1.2 million dollars utilizing a combination of federal and 2014 SPLOST funds. The project scope will be coordinated with the State Transportation Improvement Program (TIP) and developed in accordance with the Georgia Department of Transportation (GDOT) Plan Development Process (PDP).
