Media Release

On April 13, 2017 the Duluth Police Department announced that we will be utilizing Nextdoor to help make our neighborhoods stronger and safer. The Duluth Police Department plans to share important news and emergency notifications that are relevant to each neighborhood. The Duluth Police Department prides itself for continuing to set the bar in community involvement and making citizens aware of their surroundings. Duluth Police allows citizens to give input in various ways, including social media outlets- now with Nextdoor. Nextdoor has over 45 neighborhoods with over 2,500 citizens participating in the program, so far.

Since beginning the program yesterday, we have received over 30 compliments stating "It's a great way to connect with the community" and "I feel much safer." And many more...

The City of Duluth - City Hall tagged along with the program, so citizens may notify various departments regarding trees being down, pot holes, etc.
