

FAQ for Gateway Art Project

Does Duluth have an official tree? Flower? Bird? **No.**

What type of surface is present in the center of the roundabout? **The existing surface is grass.**

Are there utilities underground? **There is electric and water to the roundabout, but there are no utilities running through it.**

As for the footing - concrete - base - area that the sculpture will be attached to - is that cost to be incorporated into the cost of the sculpture? **Yes, the cost must be included with the art piece.**

Will we need to figure footing / concrete / site preparation into our budget? **Yes.**

Where should we include the 50 word photo description? **The photo description of the work depicted in the images may be included with the information list also requested for each photo.**

Are the landscaping, lighting, signage budgets separate from the \$100,000 budgeted for the artwork? **Yes, those are separate budgets and will not come out of the \$100,000 budgeted for the artwork. There will be an honorarium paid to each finalist to produce a mock up of their concept in the final stage and that will come out of the \$100,000 budgeted for the artwork.**

Can your e mail take a <YouSendIt> file so you can down load from there or do you want the pdf images sent directly to the email? If so how large can your email handle? **We can accept emails up to 8MB in size, however, you may also go to**

<https://duluthga.sharefile.com/r/r6518c2414b44edd9> and upload your files there. Please also send an email to Beth Reeves at breeves@duluthga.net to let her know you have uploaded your files to our sharefile.

I see the images on the site but cannot download for the presentation. I found some on the Google image list but they were very low res. Is there a way I can download some of the images? **If you right click on the image from our website, you can choose to save the image to your computer.**
